Background/Supporting Information

The Police Department requests permission to execute a no-cost grant contract amendment with the Police Executive Research Forum (PERF) for a collaborative project between PERF and the Department. This contract amendment will extend the grant period until July 31, 2003 to allow more time to expend the total initial grant award on continued community outreach. The original grant award of \$20,000 was accepted by the city in September, 2002 to support the Collaborative Leadership Project, funding MPD efforts to reach out to the community, to develop new partnerships and share information. This is the second amendment to the original agreement; the previous no-cost amendment extended the grant until April 30, 2003.
